

## ATHLETE INTELLIGENCE YOUTH PARTNERSHIP OUTLINE

Athlete Intelligence is proud to partner with youth football leagues, clubs, and organizations as the preferred Head Impact Monitoring and data analytics partner. As partners, we will provide a combined effort that creates a high performing environment for all participants while keeping youth athletes safe.

### Details of the Partnership - Strategic, Customized, Integrated

- Exclusive tiered package pricing for all clubs and teams.
- Custom website landing page, hosted by Athlete Intelligence where teams and parents can learn more about Athlete Intelligence and the partnership benefits.
- PR and Marketing announcements to over 25,000 Athlete Intelligence contacts sharing the partnership and recognizing you as a leading Head Safety Football Organization.
- Usage of Athlete Intelligence logo and links on your Football website.
- E-mail communication to all your league and club members announcing the partnership benefits.
- Use of Athlete Intelligence logos in all your league and club registration collateral.
